# VIKING CHOPPERS

A LOOK AT SCANDINAVIAN SCOOTERS

Scandinavia is actually a pretty nice place to live if you are into choppers. The weather is pleasant in the summer, the blonde Amazons will do anything for a ride on a Harley, the legislation is easy to

live with, and the long dark winters provide a lot of wrenching time and make sure the sleds get more and more perfected as time rolls on.

The whole thing started over here

pretty much as is did everywhere else—with the premiere of *Easy Rider* in 1969. Suddenly a lot of motorized hippies were seen in the streets of Stockholm, Oslo and Copenhagen. Harleys were really
